The Hip Experience is unreal!

Formed in 2017, shortly after the passing of Gord Downie, the band was put together for a memorial tribute concert to the Canadian Icon. Their first show at Toronto's Rockpile in November of that year went over incredibly well. Then there were calls for the band to play some more shows and so it continued with one goal in mind, to establish the Nation's most authentic Tragically Hip show. Frontman Derek Lathrop leads a group of Toronto's finest players, and portrays Gord Downie's tone and mannerisms shockingly well.

Since forming in 2017 the band has wowed audiences from coast to coast. They were one of the first bands to perform a hotel concert during the Lockdowns with concert promoters Hotels Live. The Hip Experience is a crowd favourite at festivals with their high energy delivery of the Tragically Hip's music. The band's performances capture the spirit of the Hip with great attention to detail and the nuances of the music.

With decades of experience individually, the HIP Experience has been travelling the country spreading the gospel of one of our Nation's ageless prophets and voice for indigenous people's, Gord Downie.

Tickets are \$40 plus hst & service fee and available at the Concert Hall Box Office: 855-372-2210
