Carbon Monoxide Awareness Week - Home Depot

Date and Time: Saturday, November 1 10:00 am - 2:00 pm

It is Carbon Monoxide Awareness Week from November 1-7. This Saturday, November 1, Cobourg Firefighters will be at Cobourg Home Depot (1050 Depalma Drive) from 10 a.m. to 2 p.m. to answer your questions about carbon monoxide and explain the new laws coming into effect on January 1, 2026

Carbon Monoxide (CO) is an invisible, odourless, and deadly gas. New requirements are coming to help keep households safe!

 **IMPORTANT SAFETY ALERT for Homeowners & Landlords!** 

Effective January 1, 2026, new CO alarm requirements apply to homes that have:

 A fuel-burning appliance (furnace, gas stove, etc.)

 A fireplace

 An attached garage

 (New) Heated air that comes from a fuel-burning appliance outside the home (e.g., an appliance in a utility shed).

What's New?

The new Fire Code requirements coming into effect on January 1, 2026, will expand CO alarm installation in:

- Existing Homes: Alarms will now be required on every storey, not just near sleeping areas.
- Multi-Unit Residential Buildings: CO alarms must be installed in all suites meeting certain conditions, service rooms, and, in some cases, public corridors.
- Care Occupancies: This includes residential care facilities and certain group homes, where CO alarms will be required in suites and common areas. These changes are designed to better protect vulnerable populations and ensure CO alarms are placed where risks are highest.

Feeding a Changing World

Date and Time: Thursday, November 13 7:30 pm

Our new series, ***Feeding a Changing World***, will explore the complex forces reshaping the food we eat; how it's produced; and why it matters. We'll delve into the global networks that move it, and the urgent challenge of producing enough to feed the world in an era of climate disruption and trade wars. We'll examine the impact of consumer-driven trends like organics and the "Made in Canada" movement, and how food has evolved from sustenance to entertainment. And because our home is Northumberland County, we'll look at cutting-edge farming techniques!

Events will take place on Thursday evenings October 16, 23, 30 and November 13, 20, 27 at 7:30 pm in the Cobourg Columbus Community Centre, 232 Spencer St. East. Tickets are \$25 each (buy a "One Click" package for \$150).

There's also a **FARM TOUR on Saturday, October 25 – \$15** (not included in the Thursday evening ticket package price).

Events will be recorded. Ticket purchasers will be sent recordings after the event.

A limited number of free tickets to speaker events are available for Northumberland County secondary students. Contact Joanne O'Sullivan for information about NLC's Education Program at mjoanne.osullivan@gmail.com.

The Giving Tree

Date and Time: Friday, November 14 4:00 pm - 6:00 pm

Open beginning Friday, November 14 to Sun. Dec. 7 at Northumberland Mall, centre court.

Thursdays and Fridays - 4 - 6 pm
Saturdays and Sundays - 11 am - 5 pm

The Giving Tree is a community project originated in 1989. We are pleased to again be sponsored by the Northumberland Mall for our 37th year! At centre court you will find the names of children across our County who would love to receive a gift at Christmas from Nov. 14 to Dec. 7.

The Giving Tree provides for over 1000 children each year. Since its inception over 43,700 children have had a brighter Christmas because our community cares. We are once again depending on the generosity of shoppers to choose a name and purchase a gift for a needy child. Our co-ordination with the Salvation Army allows them to concentrate on their food campaign while we provide the gifts for the children.

We receive requests for children from many local community agencies.

Our Volunteers work 100 plus shifts at the Mall, assist in sorting the packages and provide delivery of gifts before Christmas

Northumberland Players present: Looped

November 14 - 30, 2025

FIREHALL THEATRE

Looped is based on an actual 1965 recording session in which an intoxicated Tallulah Bankhead required eight hours to dub (or “loop”) a single line from her final movie, Die! Die! My Darling! The play shows Tallulah antagonizing the film editor assigned to the job, but also provides a raw, funny, and fascinating look into the scandalous life of an eccentric and legendary actress who once said, “If I had to live my life again, I’d make the same mistakes. Only sooner.”

VOS THEATRE PRESENTS: AGATHA CHRISTIE'S MURDER ON THE ORIENT EXPRESS

ADAPTED BY KEN LUDWIG

NOVEMBER 14 TO 23, 2025

CONCERT HALL AT VICTORIA HALL

Ken Ludwig's clever adaptation of the Agatha Christie classic murder mystery boasts all the glamour, intrigue and suspense of Dame Agatha's celebrated novel, with a healthy dose of humor to quicken the pace.

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed eight times, his door locked from the inside. Isolated and with a killer in their midst, the passengers rely on detective Hercule Poirot to identify the murderer - in case he or she decides to strike again.

The Giving Tree

Date and Time: Saturday, November 15 11:00 am - 5:00 pm

Open beginning Friday, November 14 to Sun. Dec. 7 at Northumberland Mall, centre court.

Thursdays and Fridays - 4 - 6 pm

Saturdays and Sundays - 11 am - 5 pm

The Giving Tree is a community project originated in 1989. We are pleased to again be sponsored by the Northumberland Mall for our 37th year! At centre court you will find the names of children across our County who would love to receive a gift at Christmas from Nov. 14 to Dec. 7.

The Giving Tree provides for over 1000 children each year. Since its inception over 43,700 children have had a brighter Christmas because our community cares. We are once again depending on the generosity of shoppers to choose a name and purchase a gift for a needy child. Our co-ordination with the Salvation Army allows them to concentrate on their food campaign while we provide the gifts for the children.

We receive requests for children from many local community agencies.

Our Volunteers work 100 plus shifts at the Mall, assist in sorting the packages and provide delivery of gifts before Christmas

November 14 - 30, 2025

FIREHALL THEATRE

Looped is based on an actual 1965 recording session in which an intoxicated Tallulah Bankhead required eight hours to dub (or “loop”) a single line from her final movie, Die! Die! My Darling! The play shows Tallulah antagonizing the film editor assigned to the job, but also provides a raw, funny, and fascinating look into the scandalous life of an eccentric and legendary actress who once said, “If I had to live my life again, I’d make the same mistakes. Only sooner.”

We invite you to an evening woven from a constellation of voices in this 7th installment of the AGN's arts education fundraiser, Spotlight Series!

Feeding a Changing World

Date and Time: Thursday, November 20 7:30 pm

Our new series, ***Feeding a Changing World***, will explore the complex forces reshaping the food we eat; how it's produced; and why it matters. We'll delve into the global networks that move it, and the urgent challenge of producing enough to feed the world in an era of climate disruption and trade wars. We'll examine the impact of consumer-driven trends like organics and the "Made in Canada" movement, and how food has evolved from sustenance to entertainment. And because our home is Northumberland County, we'll look at cutting-edge farming techniques!

Events will take place on Thursday evenings October 16, 23, 30 and November 13, 20, 27 at 7:30 pm in the Cobourg Columbus Community Centre, 232 Spencer St. East. Tickets are \$25 each (buy a "One Click" package for \$150).

There's also a **FARM TOUR on Saturday, October 25 – \$15** (not included in the Thursday evening ticket package price).

Events will be recorded. Ticket purchasers will be sent recordings after the event.

A limited number of free tickets to speaker events are available for Northumberland County secondary students. Contact Joanne O'Sullivan for information about NLC's Education Program at mjoanne.osullivan@gmail.com.

FIREHALL THEATRE

Looped is based on an actual 1965 recording session in which an intoxicated Tallulah Bankhead required eight hours to dub (or “loop”) a single line from her final movie, Die! Die! My Darling! The play shows Tallulah antagonizing the film editor assigned to the job, but also provides a raw, funny, and fascinating look into the scandalous life of an eccentric and legendary actress who once said, “If I had to live my life again, I’d make the same mistakes. Only sooner.”

AGATHA CHRISTIE'S MURDER ON THE ORIENT EXPRESS- Nov 14-Nov 23, 2025

VOS THEATRE PRESENTS: AGATHA CHRISTIE'S MURDER ON THE ORIENT EXPRESS

ADAPTED BY KEN LUDWIG

NOVEMBER 14 TO 23, 2025

CONCERT HALL AT VICTORIA HALL

Ken Ludwig's clever adaptation of the Agatha Christie classic murder mystery boasts all the glamour, intrigue and suspense of Dame Agatha's celebrated novel, with a healthy dose of humor to quicken the pace.

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed eight times, his door locked from the inside. Isolated and with a killer in their midst, the passengers rely on detective Hercule Poirot to identify the murderer - in case he or she decides to strike again.

Northumberland Players present: Looped

November 14 - 30, 2025

FIREHALL THEATRE

Looped is based on an actual 1965 recording session in which an intoxicated Tallulah Bankhead required eight hours to dub (or “loop”) a single line from her final movie, Die! Die! My Darling! The play shows Tallulah antagonizing the film editor assigned to the job, but also provides a raw, funny, and fascinating look into the scandalous life of an eccentric and legendary actress who once said, “If I had to live my life again, I’d make the same mistakes. Only sooner.”

Feeding a Changing World

Date and Time: Thursday, November 27 7:30 pm

Our new series, ***Feeding a Changing World***, will explore the complex forces reshaping the food we eat; how it's produced; and why it matters. We'll delve into the global networks that move it, and the urgent challenge of producing enough to feed the world in an era of climate disruption and trade wars. We'll examine the impact of consumer-driven trends like organics and the "Made in Canada" movement, and how food has evolved from sustenance to entertainment. And because our home is Northumberland County, we'll look at cutting-edge farming techniques!

Events will take place on Thursday evenings October 16, 23, 30 and November 13, 20, 27 at 7:30 pm in the Cobourg Columbus Community Centre, 232 Spencer St. East. Tickets are \$25 each (buy a "One Click" package for \$150).

There's also a **FARM TOUR on Saturday, October 25 – \$15** (not included in the Thursday evening ticket package price).

Events will be recorded. Ticket purchasers will be sent recordings after the event.

A limited number of free tickets to speaker events are available for Northumberland County secondary students. Contact Joanne O'Sullivan for information about NLC's Education Program at mjoanne.osullivan@gmail.com.
